The McAllen
Memorial High
School vertical team
orchestra just
finished our/their
most successful UIL
season ever. After
taking 4 middle
school string
orchestras, 1 middle
school full
orchestra, 2 high
school full
orchestras and 3
high school string
orchestras to UIL
this last Thursday
and Friday, every
single group came
away with
Sweepstakes awards
(1 in stage concert,
1 in sight reading).
This may not be the
first time every
group received a
Sweepstakes trophy
but it was the first
time that we had 10
Sweepstakes awards
and the first time
that our high school
Sub Non Varsity
received a
Sweepstakes trophy
in the history of
Memorial High
School.
