

BLESSINGS
List

JANUARY
19TH, 2025

It's nice to be back at church. Preparations for my neighborhood's One Club Tournament went well with my 4 hybrid averaging +4/round. Tournament didn't go so well for me(+11) but the camaraderie with my neighbors was great.

Blessed with small wonders!

God blessed me with and through Tina, Jackie, Debbie and MaryAnn.

Thankful for the healing process.

God has blessed me all my
life with good health.
Thank you Lord

Blessed with loving pets
and cold weather

I am grateful that I was
able to catch up with old
friends and see that they
are okay and well. May
God bless them in their
lives.

Prayers for my upcoming
doctor visit on Tuesday
morning 1-21-25.
(Requested prayers for
Gabriel Molina)

A loving, caring, giving
church family.

Lord, Thank you for your gifts of peace, love and provision and all you have for me/us. Thank you that we were able to help our clients become employed.

Please bless them and their families and provide for their needs. Lord, I/we continue to lift up Shelia and all who are ill/not feeling well. Please continue to provide families with peace - those who have lost loved ones. We lift up Melinda who had shoulder surer last week. I lift up Elyse and Ka'imi. May they grow in love with you. Lord, please bless Lou and all educators.
